Dear Preschool Families,

I am writing to let you know about a change in our usual process for the eight scheduled Early Release Days listed on the Norton Public Schools District Calendar. In the past, the preschool students who attended the PM session would not attend school on scheduled Early Release Days, while the AM students would attend school. This year, the Early Release Days will be more equally shared between the two sessions. Listed below are the Early Release Days and which sessions students will be attending on each day:

PM session attends during regular PM session times

****There will be NO AM PRESCHOOL SESSIONS & NO SCHOOL FOR FULL DAY STUDENTS on the dates listed below****

Friday, October 27th

Friday, January 26th

Friday, May 18th

AM session attends from 8:30-10:30 AM

****There will be NO PM PRESCHOOL SESSIONS & FULL DAY STUDENTS WILL ATTEND THE AM SESSION ONLY from 8:30-10:30 on the dates listed below****

Friday, September 29th

Thursday, November 16th

Wednesday, November 22nd

Friday, December 22nd

Thursday, March 15th

****Wednesday, June 13th-Preschool will not be in session****

Please make note of the changes to your child's preschool schedule. If you have any questions or concerns, please contact me by phone at 508-285-0120 or by email at kkefor@norton.k12.ma.us.

Sincerely,
Kristine Kefor
Early Childhood Coordinator and Assistant Principal
